The Historical Society is always looking for bright, enthusiastic volunteers for a wide range of events and activities both in the Russell Street Museum and at Old Government Cottage in Stanley Street. There are many facets to be covered, from a regular session sitting on the Front Desk of the Museum welcoming visitors, to carrying out research requests, archiving material, showing visitors round the Museum and answering their queries, gardening, helping with groups and much more.

If you would like to volunteer, in any capacity, please give us a bit of information about your skills and interests.
